I am directed to convey approval of the Secretary Finance GB to the release of funds amounting to **Rs.107,846,650/- (Voted Expenditure)** in respect of your Department for expenditure during the 1<sup>st</sup> quarter of financial year 2019-2020 i.e. July-to-September, 2019 as per details shown in **Annexure-II**.

2. The Principal Accounting Officers shall ensure compliance of Rule-11, 12 and 13 of G.F.R prior to make expenditures or while making expenditure against sanctioned budget to ensure financial discipline. The Rules are re-produced below:

**A. Control of Expenditure**

GFR-11 Each head of a Department is responsible for enforcing financial order and strict economy at every step. He is responsible for observance of all relevant financial rules and regulations both by his own office and by subordinate disbursing officers.

GFR-12 A Controlling officer must see not only that the total expenditure is kept within the limits of the authorized appropriation but also that the funds allotted to spending units are expended in the public interest and upon objects for which the money was provided. In order to maintain a proper control, he should arrange to be kept informed, not only of what has actually been spent from and appropriation but also what commitments and liabilities have been and will be incurred against it. He must be in a position to assume before Government and the Public Accounts Committee, if necessary, complete responsibility for Departmental expenditure and to explain or justify any instance of excess or financial irregularity that may be brought to notice as a result of audit scrutiny or otherwise.

**B. Internal Check against Irregularities, Waste and Fraud**

GFR-13 In the discharge of his ultimate responsibilities for the administration of an appropriation or part of an appropriation placed at his disposal, every Controlling officer must satisfy himself not only that adequate provisions exist within the Departmental organization for systematic internal checks calculated to prevent and detect errors and irregularities in the financial proceedings of its subordinate officers and to guard against waste and loss of public money and stores, but also that the prescribed checks are effectively applied. For this purpose each Head of the Department will get the accounts of his office and those of the subordinate disbursing officers, if any, inspected at least once in every financial year by a Senior Officer not connected with the account matters to see whether:

- a. Rules on handling and custody of each are properly understood and applied.
- b. Effective system of internal check exists for securing regularity and propriety in the various transactions including receipt and issue of stores etc, if any, and
- c. Satisfactory arrangement exists for systematic and proper maintenance of Account Books and other ancillary records concerned with the Initial Accounts.

The results of these inspections should be incorporated in the form of an inspection report copy of which should be endorsed to Audit. The head of the Department should, after his scrutiny of the report, communicate to Audit a copy of his remarks thereon and nay orders issued in that connection.

3. Following policy decisions/guidelines shall also be adhered while making expenditure against the released funds:
